Girls should set troop program and personal goals early in the year. Your daughter's troop will receive \$.60 for each package of cookies sold, and a \$.05 per box bonus if their troop qualifies. Talk to your Girl Scout leader for details about the bonus program.

Girls can use the incentive program described on this page to help them set their personal goals. Please take the time to discuss with your daughter all of her incentive options - and let the decision be her choice.

My goal is to sell
