Declare your Goal!

Service Unit Name: _____

Leader Name: _____

We, the girls of Troop _____ have discussed our troop plans for this year and declare that our goal is to sell _____ packages of cookies to pay for our planned activities and expenses. We understand that the minimum goal must be at least 85 or more packages per girl (troop average). We will work hard to achieve our goal by taking orders from our friends, neighbors and families and by participating in a cookie booth.
