Overview

Girl Scouts of the USA has teamed up with The White House Project, an organization that is changing the way people think about women in leadership roles, to create an exciting new *Ms. President Patch* for Girl Scouts of all ages. Girls today have more choices than ever before of what they can do when they grow up. Why not dream of becoming the first Ms. President!

Ms. President, an online participation patch, can be found on the *Insignia List* section of the Girl Scout Web-site at www.girlscouts.org. This patch provides an opportunity for girls to experience and celebrate women who have paved the way in social and political reform, as well as to learn about those women who are on the frontlines of government today. Girls can discover the accomplishments of strong women such as Sojourner Truth and Sybil Ludington by completing a matching game, or can explore the endeavors of women who have taken to the campaign trail.

Activities, designed to be fun and informative, have been developed for Daisy, Brownie, Junior, Cadette and Senior Girl Scouts.
